(Intro)

So let me see your drinks in the air
Drinks, drinks in the air
Drinks, drinks in the air

(Verse)

Gotta go, gotta go, bring your friend, bring your friend
It ain't no telling when it's not goin
Let 'em know, let him 'em
What it is, what it is
Don't be afraid, we bout to get it in

You see me sippin on that ace of spades, oh, oh
Chauffeur driving that escalade, oh, oh
Bottles coming in right away, oh, oh
Shawty mad 'cause I make your pay

(Pre-Chorus)

This is not your ordinary love song
It's that when my girls about to hit the club song
Go hop for every night and everything he's done wrong
If you feel like I feel, then you know what it is
I ain't worried bout nobody
Shawty moving her body, like she workin that follies
Her boyfriend wanna show me
Don't know how you got in, don't know who you came
with
But if you feel the same then

(Chorus)

Let me see your drinks in the air
Drinks in the air
Drinks, drinks in the air
Drinks, drinks in the air
Let me see your drinks in the air
Drinks in the air
Drinks, drinks in the air
Drinks, drinks in the air
Light it up, light it up
Pour it up, pour it up
Let me see your

Drinks in the air
Drinks, drinks in the air
Light it up, light it up
Pour it up, pour it up
Let me see your
Drinks in the air
Drinks, drinks in the air

(Verse)

Just order more bottles, yeah we going in
Feeling like, I'm living got me a membership
Really don't know who you dealing with
Looking at your man like what the business is

You see me sippin on that ace of spades, oh, oh
Chauffeur driving that escalade, oh, oh
Bottles coming in right away, oh, oh
Shawty mad 'cause I make your pay

(Pre-Chorus)

This is not your ordinary love song

Don't know how you got in, don't know who you came
