Mia Rey - Forever lyrics

(Intro)

You know that it's forever girl

Yeah, bitch, yeah

Ay ay ay you know that it's forever girl

It's forever baby!

(Verse 1)

She crazy, she sexy, she cool, she let me

Ride it all night and then she give me that TLC

Fuck you niggas gon' tell me? Throw my money might
as well be

Cause I'm out chea, out chea and I'll only dropped one
LP

I couldn't let a girl like you pass

I would trade my seat to coach to let you ride first class

We straight to the bank, fifty G's, let it burn (yeah)

They say time is money well you ain't gotta earn that

(Chorus - Mia Rey)

You could be my boyfriend, I could be your baby

Start it off slow and see where we could take it

Anything you do boy got me so crazy

All I see is love, I know that we gon' make it

I never thought that I could be in love wit ya never say
never

And now I got you in my life I'mma love you forever

(Verse 2)

She crazy, she sexy, she cool, she let me

Fuck her all night and make her cum at the count of 3

Fuck you niggas gon' tell me? (tell 'em) throw my
money might as well be

Cause I'm out chea, out chea and I'll only dropped one
LP

I couldn't let a girl like you pass

I would trade my seat to coach to let you ride first class

We straight to the bank, fifty G's, let it burn (yeah)

They say time is money well you ain't gotta earn that

(Chorus - Mia Rey)

You could be my boyfriend, I could be your baby
Start it off slow and see where we could take it
Anything you do boy got me so crazy
All I see is love, I know that we gon' make it
I never thought that I could be in love wit ya never say
never
And now I got you in my life I'mma love you forever
Forever (X16)

I never thought that I could be in love wit ya never say
never
And now I got you in my life I'mma love you forever

(Chorus - Mia Rey)

You could be my boyfriend, I could be your baby
Start it off slow and see where we could take it
Anything you do boy got me so crazy
All I see is love, I know that we gon' make it
I never thought that I could be in love wit ya never say
never
And now I got you in my life I'mma love you forever
Forever (X16)
