Oh Ma there's a hole in my head  
Used the bullets that come with the gun you gave me  
Shine a light into my head,  
see the place where we were gonna live  
Before you ran off with your spaceman  
left me here without a place for us  
Oh Ma there's a hole in my head  
Used the bullets that come with the gun you gave me  
Used to be funny when you told me jokes  
layin around you & me both when I  
Try to remember my favorite one  
all I get's a vision of the gun - imagine.  
Oh Ma there's a hole in my head  
Used the bullets that come with the gun you gave me  
Yes its true, I love you - how does it feel without me?  
I don't know what you're gonna do,  
I don't know where you're gonna go  
I don't know who you want to see,  
I don't know who you want to be  
I don't know why I want to know,  
I don't know why you didn't show

I don't know why I didn't see,

I don't know why I didn't leave
