I'm going totally round the bend  
I don't want to see my friends  
I don't want to see my mad friend  
Because he's driving me insane

I don't want to see my friends  
I'm going totally round the bend  
Earlier on today I tried to walk down the street  
But my feet kept \*slipping\* on the pavement

I find myself at 90 degrees to the rest of the world  
It's not much fun you can take it from me

I'm not having too good a time  
There's people worse off than me,  
Don't think I don't realise that,  
But I'm going round the bend again  
The last thing I wanna do is see my friends again  
I'm going quitely round the bend again

I try to function as a normal human being  
I washed my car earlier on this evening  
And now I'm trying to get it together to cook a little  
meal  
Before I go for a drink with my friends

But I've got no food, I've got no time to go to the  
supermarket  
\*\*It's not that I couldn't make time  
It's more I get confused when I get there

People walking past see the green \*trees\* outside  
They see a nice little flat and imagine the person inside  
Is having a great old time  
Well I wish I was having a \*good\* a time as  
They possibly imagine that I'm having

All I wanna do is go far away  
And see things I've never seen before  
Like the Pyramids  
They weren't built in a day you know

Those 4th dynasty pyramids  
Just don't fit into the equation

But I'm so paranoid  
I can't even make it to the supermarket  
Let alone go to Egypt  
To see my favourite pyramid

Now I'm going to go round to Robin's  
And try to eat some food there  
\*\*Sometimes it eats better if you're in the company of  
men  
He's just said he's had a glass of red wine  
So I might have mine

I listened to the Beach Boys just a minute ago  
'Wild Honey' it's not their best album  
but it's still pretty good  
They've got some funny little love songs on there  
But it's not mainly a Brian Wilson production  
So it's probably not as good as something like 'Pet  
Sounds'

I'm going totally round the bend  
I don't wanna see my friends again  
I just want to be left alone  
And never bothered ever again  
Never again, never again, never again  
ever again, ever again
