Start is the end

More or less

Do you brake for the bend?

More or less

The Milky Way results from the crowding

Of extremely faint stars

Friend is a fool

More or less

Love it but you lost a truth

More or less

The Milky Way results from the crowding

Of extremely faint stars

Can it be, can it be?

It's not impossible, I know

'Cause I [Incomprehensible] it here

Now it seems to make more sense

And I know, I'm 'round the bend, aah

Can you break through the final stage?

More or less

Do you sing to control your rage?

More or less

The Milky Way results from the crowding

Of extremely faint stars

Can it be, can it be?

It's not impossible, I know

'Cause I [Incomprehensible] it here

Now it seems to make more sense

And I know I'm round the bend, aah
