Vibes

all I a binge oots - (?)

wssh

one is the loneliest number that you'll ever do

two can be as bad as one

it's the loneliest number since the number one

cinematic synergy

a whole lotta energy

virtual reality

doomsday scenery

grab artillery - (?)

cinematic synergy

a whole lotta energy

virtual reality

doomsday scenery

grab artillery

burn the flag steadily

depression

driving a brand new chevy

water erase a liquid sunflower

verbal abuser underneath the stone shower

power in the hour

moon in the flower

for alone one is a glorious number

in the darkest days

touch our brightest ways

raincloud penetrating gray sunrays

electric rain

virtual mud

east the river Nile

Babylonian flood

won't stay in the shadow

i'm asking for food on plate

unborn face still behind heaven's gate

for universe sake drink soda grape

high indigo skies wrapped in homicide scene

Blondie said the tide is high

bobby-dee don't cry just dry your eye  
with the bamboo sticks and the georgia sky  
black goo bubbling on blueberry pie  
the praying mantis grasshopper flew  
everything old is everything new  
nightmares first degree murder deja vu  
this is what you know  
what you don't know is the clue

one is the loneliest number that you'll ever do  
two can be as bad as one  
it's the loneliest number since the number one

new york rats running all around mars  
how many nightmares imprisoned in scars  
doctor chivago's cream creates wars  
insecurity melts skulls in stores  
inhale your thoughts and exhale your wishes  
before i trace the vocals i gotta do the dishes  
[TOO HARD]  
wanna see music through the eyes of stevieBeta Band
