You've gone away  
I'll get by somehow  
Just right now  
All I can do is cry  
All I can do is cry  
I tried to find  
Why you said go  
Now I know  
All I can do is cry  
All I can do is cry  
Tell me why  
You walked out that way  
What can I say  
All I can do is cry  
All I can do is cry  
I keep searching for an answer  
As I sit here in my lonely room  
Till I find a reason to keep living  
All I can do is cry  
All I can do is cry  
All I can do is cry....Yeah  
I keep searching for an answer  
As I sit here in my lonely room  
Till I find an reason to keep living  
All I can do is cry  
All I can do is cry  
All I can do is cry  
You've gone away  
I'll get by somehow  
Just right now  
All I can do is cry  
All I can do is cry  
I tried to find  
Why you said go  
Now I know  
All I can do is cry  
All I can do is cry  
All I can do is cry
