Sometime I feel like a smoke without a light

Sometimes I fell like a ghost that's died of fright

But the Boogie Brothers got to be in town tonight

The Boogie Brothers got to be in town tonight

Streets signs and lights are fading, fading into one

Came down from the moon and up with the light of the

sun

Yes the Boogie Brothers got to be in town tonight

The Boogie Brothers got to be in town tonight

Sometimes I feel like a joke without a laugh

Most times I feel like a whole that's dropped in half

But the Boogie Brothers got to be in town tonight

The Boogie Brothers got to be in town tonight
