When I was thinking of her
She was thinking of him
What I was doing to her
She was doing to him

Now I had love to give
She only had it for him
What she was givin' to me
She was givin' to her other man

And I should have known
I should have known
Yes, I should have known
Then on stayed away from her

Yes, I should have known
Oh, that lady
Said the lady was, was a double lover
Ooh, yes, she was

What I sayin' to her
She was sayin' to him
When I was lovin', lovin' her
She was lovin' him

She stayed out late at nights
Said she was feeling drowsy
But I caught her playing around
With her other man

And I should have known
I should have known
Yes, I should have known
Then on stayed away from her

Yes, I should have known
Oh, that the lady
Said the lady was, was a double lover
Ooh yes, she was

Oh, I could have known
Should have known

Yes, should have known
Then on stayed away from home

Yes, I should have known
Woah ooh, that the lady was
I said the lady was, was a double lover
Yes, that lady was a double lover
