Who's that lady in the corner?
She's looking for romance
Hey you little girl, said you don't feel good
Won't you give me a chance

Got love if you want it
Baby, take it away
Got love if you want it
What do you say
Come on take it away, yeah

Tonight I'm come to feeling
Ready to let go
Honey, let's get naked
Fall across that floor

Got love if you want it
Baby, can't you see
Got love if you want it
Got it all me gotta give it to me, yeah

Said Saturday night is the right time

Get me a mix, so high
And I'll [Incomprehensible]

Because tonight I've got the feeling
Mama, I'm ready to let go
Honey, let's get naked
All across that floor

Got love if you want it
Baby, can't you see
Got love if you want it
Got it on me, oh give it to me, yeah

Got love if you want it
Honey, take it away
Got love if you want it
Tell me what do you say
Come on take it away, yeah

Come on give it
Give it when it's hot
So now hit the spot
Come on baby don't mean maybe

Come on give it, give it
Give it when it's hot
