I'm alright now

It's six o'clock in the morning
And I've been off since a quarter to three
I've been a-thinking about the past
A-bringing back sweet memories

I used to be dead too long
And never thought I found a friend
But since you came into my life
I never feel that way again

And I'm oh, oh, all, I'm alright now
Yes, I'm oh, oh, all, I'm alright now
I'm in love with you baby
Yes, I'm oh, oh all, I'm alright now
Yes, I'm alright now

I used to sit alone and cry
And watch the world pass on by
But then you came knockin' at my door
You made me glad to be alive

And I'm oh, oh, all, I'm alright now
Yes, I'm oh, oh, all, I'm alright now
I'm in love with you baby
Yes, I'm oh, oh all, I'm alright now
Yes, I'm alright now
