It Hurts Me Too

Savoy Brown

You said you was hurtin', almost lost your mind;

'the man you love, he hurts you all the time.

when things go wrong, wrong with you... it hurts me too.

he loved another woman; yes, but I love you

But you love him, and stick to him like glue.

when things go wrong, wrong with you... it hurts me too.

You love him more, when you should love him less.

Why pick up behind him yes and take his best?

when things go wrong, wrong with you... it hurts me too.

said goodbye baby im gonna pack my case

Lord i know ill never ill never take his place

when things go wrong, lord ,lord its alright with you

it hurt me too
