I love you darling, like a schoolboy loves a clown
With your painted face and lipstick I just couldn't put
you down
And even though I knew you were bad and no good, I
cried
Love me please

I cried all night, when you were out playin' your game
But you smile in the morning, had me loving you just
the same
And even though I knew you were bad and no good, I
cried
Love me please

So long, I hate to say goodbye
You could've loved me, but you didn't wanna try
And even though I knew you were bad and no good, I
cried
Love me please
So long, I hate to say goodbye
You could've loved me, but you didn't wanna try
And even though I knew you were bad and no good, I
cried
Love me please
Love me please
Love me please, you know I love you darling
Love me please
