Meat Shakin' Woman - Savoy Brown

Got me a meat shakin' woman, the meat is shakin' on
her bones

Hey Hey. I said the meat is shakin' on her bones.
Every time she shakes a man really knows.

You know I asked my woman give me her smallest
change

Hey Hey give me her smallest change
And the dollars came down like falling drops of rain

If you take my woman you can't keep her long
Hey Hey I said that you can't keep her long
She'll come runnin' home back where she belongs

Well I like your legs woman you know that they feel
so soft

Hey Hey I said you know that they feel so soft
And you promised me so baby please don't cut
me off

Got me a meat shakin' woman, the meat is shakin' on
her bones

Hey Hey I said the meat is shakin' on her bones.
Every time she shakes a man really knows.
