"Natural Man"

I ain't no Jesse James
No outlaw on the run
I ain't no hoodoo man
I ain't the fastest gun

I ain't got a mojo
I ain't a Rolling Stone
I'm not a running with the devil
I'm not bad to the bone

Oh yeah, baby
Just take as I am
I can give you everything, but-ah
I'm just a natural man

There's no Johnny Cochran
In my pocket today
And no magic spell
Is gonna leave you astray

I ain't a voodoo child
Or a crawling king snake
And I ain't gonna start
The next earthquake

Oh yeah, baby
Just take as I am
I can give you everything, but-ah
I'm just a natural man

I ain't full of TNT
I ain't got no dynamite
And I'm not ready to start a fight
I ain't got a rocket that's
Built for speed
I can still give you baby everything that you need

[Solo]

I ain't full of TNT
I ain't got no dynamite

And I'm not ready to start a fight
I ain't got a rocket that's
Built for speed
I can still give you baby everything that you need

I ain't no young dog
I'm not quick on the draw
I'm not the baddest man
That you ever saw

And I'm no wizard
With aces up my sleeve
I'm no easy lover
Who's gonna kiss and leave

Oh yeah, baby
Just take as I am
I can give you everything, but-ah
I'm just a natural man
[2x]
