well it aint somethin that i like to see  
and i hope it never happens to me  
when ya see a smiling woman and a frowning man  
she got a ring in his nose and a ring on her hand

well i knew a guy and he was real funky ya know  
that was of course until he got lucky  
when ya see a smiling woman and a frowning man  
she got a ring in his nose and a ring on her hand

now i know all you men think that you all right  
and the one you got well she's alright  
when ya see a smiling woman and a frowning man  
she got a ring in his nose and a ring on her hand

well i knew a guy and he was real funky ya know  
that was of course until he got lucky  
when ya see a smiling woman and a frowning man  
she got a ring in his nose and a ring on her hand

now i know all you men think that you all right  
and the one you got well she's alright  
when ya see a smiling woman and a frowning man  
she got a ring in his nose and a ring on her hand  
ring in his nose and a ring on her hand

ring in his nose and a ring on her hand

oh hows that  
yeah  
everybodys got to be unlucky sometime
