well it aint somethin that i like to see
and i hope it never happens to me
when ya see a smiling woman and a frowning man
she got a ring in his nose and a ring on her hand

well i knew a guy and he was real funky ya know
that was of course until he got lucky
when ya see a smiling woman and a frowning man
she got a ring in his nose and a ring on her hand

now i know all you men think that you all right
and the one you got well she's alright
when ya see a smiling woman and a frowning man
she got a ring in his nose and a ring on her hand

well i knew a guy and he was real funky ya know
that was of course until he got lucky
when ya see a smiling woman and a frowning man
she got a ring in his nose and a ring on her hand

now i know all you men think that you all right
and the one you got well she's alright
when ya see a smiling woman and a frowning man
she got a ring in his nose and a ring on her hand
ring in his nose and a ring on her hand

ring in his nose and a ring on her hand

oh hows that
yeah
everybodys got to be unlucky sometime
thats the way it goes
