Savoy Brown - Since You've Been Gone

I feel a blue mood closing in
I see a bad dream starting again
I feel a heartache coming on strong
Since you've been gone

I feel a cold sweat down my spine
I see trouble down the line
I sit and wonder what went wrong
Since you've been gone

They say in love it's every man for himself
You've got to stand up and fight
I shouldn't have tried to give you everything
Just should have tried to treat you right

I hear a sad song in my head
I see the blues around my bed
I sit and wonder what went wrong
Since you've been gone

They say in love it's every man for himself
You've got to stand up and fight
I shouldn't have tried to give you everything
Just should have tried to treat you right

I hear a sad song in my head
I see the blues around my bed
I sit and wonder what went wrong
Since you've been gone

Since you've been gone
Since you've been gone
