I had a strange dream last night  
One I've never had before  
I could see a black cloud rolling in my door  
I saw lightening strike  
I saw a willow tree fold  
I heard the crack of thunder  
I heard my baby call

It was a strange dream  
It was a strange dream  
It was a strange dream  
One I don't want no more

I heard a rooster crow  
I saw a full moon in the sky  
I heard a black cat moan  
I heard my baby cry

It was a strange dream  
It was a strange dream  
It was a strange dream  
One I don't want no more

I bought a good luck charm  
I got horse shoes on my door  
I don't want no trouble man  
Cause trouble I can't afford

It was a strange dream  
It was a strange dream  
It was a strange dream  
One I don't want no more

It was a strange dream  
It was a strange dream  
It was a strange dream  
One I don't want no more

It was a strange dream  
Such a strange dream  
It was a strange dream  
Such a strange dream
