I'm a stranger here

I just rolled into your town

I'm a stranger here

I just rolled into your town

Everbody I meet, they will do me down

Everybody I meet wanna do me down

I'm going back home

Wear out ninety-nine pair of shoes

I'm going back home

When I get back home, I will have the stranger blues

When I get back home, I will have the stranger blues

I'm going back home

Wear out ninety-nine pair of shoes

I'm going back home

When I get back home, I will have the stranger blues

When I get back home, I will have the stranger blues
