I know I should be grateful
For things you might of done
I know I should be grateful
Stayin' still instead of run
I guess the party's over
But where was all the fun
The lonely nights won't bother me
My life has just begun
I'm tellin' you, yes I'm tellin' you
Times are changin' fast
Lady this day is gonna be our last
Your mother and your father
Would see me dead and gone
Your sister and your brother
Can't see what's right or wrong
I'm tellin' you, yes I'm tellin' you
The die is cast
And Lady this day is gonna be our last
(Music break)
I know I should be grateful
For things you might of done
I know I should be grateful
Staying still instead of run
I'm tellin' you, yes I'm tellin' you
Just forget the past
Beause baby, this day is gonna be our last
Be our last
Be our last
