(Youlden/Simmonds)

You can catch it if you want to ride

Don't you worry if it pass you by

You can catch it if you want to ride

Don't you worry if it pass you by

Lord you know the reason why

On this train till I die

Train I ride goes to God knows where

I don't know and I don't care

Train I ride goes to God knows where

I don't know and I don't care

If you aint got money don't despair

'Cause you don't have to pay no fare

Please now brother don't you ride this train

Ride the wrong rails, live your life in vain

Please now brother don't you ride this train

Ride the wrong rails, live your life in vain
