Hold your breath and count to ten
Close your eyes again
In your hands you are holding
Ten numbers to my heart

And if you look you'll find me

Take me there, I wanna feel it
I won't fight a reason to change
And if you run, I'm gonna be there
I could be a reason to stay

Secret things unspoken
In your hands today
Simple things unfolding
Make me want to say

That if you look you'll find me

Take me there, I wanna feel it
I won't fight a reason to change
And if you run, I'm gonna be there

Take me there, I wanna feel it
I won't fight a reason to change
And if you run, I'm gonna be there
I could be a reason to stay

So stay.
