Even Though were close, We seem so far apart.  
Every morning and every night, I'm thinking of you.  
When I hear your name, I just wanna cry out,  
to the Heavens, begging them to give you back to me.

#### CHORUS

BABY!! Don't you go away from me!  
! I want you to stay real close to me, baby!  
BABY!! don't ever think 'bout leavin' me,  
cause I need you, I need you here with me.  
BABY DON'T LEAVE ME...  
DON'T LEAVE ME!!

Even though you're no longer here with me,  
I still feel your spirit in me,  
It's with me forever...  
and ever....  
Baby Don't Leave Me

#### CHORUS

BABY!! Don't you go away from me!  
! I want you to stay real close to me, baby!  
BABY!! don't ever think 'bout leavin' me,
