"One Thing Remains"

Higher than the mountains that I face
Stronger than the power of the grave
Constant in the trial and the change
Cause this one thing remains

On and on and on and on it goes
It overwhelms and satisfies my soul
And I'll never, ever, have to be afraid
Cause this one thing, it remains
This one thing, it remains

Your love never fails
It never gives up
It never runs out on me
[x3]

Your love never fails
It never gives up
It never runs out on me
[x3]

In death and in life I'm confident and covered by
The power of Your great love
My debt is paid, there's nothing that can separate
My heart from Your great love

In death and in life I'm confident and covered by
The power of Your great love
My debt is paid, there's nothing that can separate
My heart from Your great love
