"Be Yourself"

You can lie, about what you make
You can lie about the risks you take.
Surely you can see what's down the road.
If you can't mess up then you should know

You've got to be yourself,
You can't be anyone else
If you can't be yourself
You'll be alone.

She can try, to get close,
But theres things,
she'll never know.

You've got to be yourself,
You can't be anyone else
If you can't be yourself
You'll be alone.

You can't see her friends have come and gone
But the loneliness it lingers on and on and on

You've got to be yourself,
You can't be anyone else
If you can't be yourself
You'll be alone.
