I want you more

I want you more
Than the stars in the sky
Or a mountain bike
Or a bit more
Than a lift
When i'm ages thumin'
I want yo so much more
Than any other woman
More, more, more
I want you more,
I want you so much more.....
And I want you more
Than an ice cream cone
More than a hungry dog
Wants a bone
Duty free fags
Or a carton of wine
More than a pint after closing time
More than a ticket for the hogan stand
More than I want to shake the presidents hand
I want you so much
More, more, more,
I want you more
I want you so much more
