It might be raining and it might be cold,  
and the bishops gone and left the fold,  
oh we're standing proud and we're walking tall,  
we got michael d rocking in the dail for us  
michael d rocking in the dail  
in the cabinet  
the shining star for all who strive  
to live and love creative lives  
the signers on with great ambitions  
the mighty open blind dead visions

we got michael d rocking in the dail for us  
michael d rocking in the dail  
in the cabinet michael d rocking in the dail for us  
michael d rocking in the dail

poet of peace and the poet of words  
of the beckoning free thinking world  
the poet of every class and colour  
crime parades and brave young mothers

we got michael d rocking in the dail for us  
michael d rocking in the dail  
in the cabinet  
michael d rocking in the dail for us  
michael d rocking in the dail

the time has come and nows our chance,  
to sing and smile, get up and dance  
he's got the job no better man,

welcome in and shifted age  
we don't ask more and we've turned the page
