What would you say
If I was leaving tomorrow?
And is it cliché to cry
Or to ask you to borrow
Your car? well I won't go far
I just need some time
Away from where you are
And if you'd be so kind
I could use some cash
So I don't run out of gas
On my way to the city
Where I will meet you
And everything's gonna be fine

If you please accept my most sincere apology
Because I'm a wreck but I have endearing qualities oh

Oh well been through school once or twice
On the art of forgiveness
And I can apologize
Like it's nobody's business
Until yeah I've got it down
I'll just call you up
And calm you down
And all I have to do is let you win
Then you'll take me back again
It's so easy
And it's all
In the way
That I just say

Won't you please accept my most sincere apology
Because I'm a wreck but I have endearing qualities, oh
oh oh oh

Won't you please accept my most sincere apology
Because I'm a wreck but I have endearing qualities

Won't you please accept my most sincere apology
Oh yeah, oh yeah, oh oh oh, mmmmmm
