"Situations"

Well pick a number between one and ten
It begins with a simple counting down of days
I guess it's been about a year
Since you went there and I came here
And I often wish we could have stayed

It's hard to talk about sometimes
So I put these rhymes together
Sometimes it makes me feel better
Sometimes it just makes me feel much worse
But I'm givin it my best
I've invested
So much more than I expected
When I started
As I left, I sang this verse,

He said, "baby you feel like home
And I'm so tired of being alone
And I hate that I have to go
But I'm going anyway
Cuz there're just some things you have to do
Some situations to go through
And I still love you
But I'm going anyway"
Oh, oh oh, oh oh, oh oh, oh

Well sometimes I think we were made
To be afraid and worn out, rough around the edges
With our hearts teetering on ledges
Not too strong
Sometimes I think we were sent
With intent
To meet and break each other's hearts
Get pulled apart
And fill the world up with our songs

He said, "baby you feel like home
And I don't want to be alone
And I hate that I have to go
But I'm going anyway
Cuz there're just some things you have to do

Some situations to go through
And I still love you
But I'm going anyway"
Oh oh, oh oh, oh oh, oh, oh oh, oh oh, oh oh, oh oh, oh
oh
