i'm a fight back,  
purple and black,  
t-shirt, flared skirt,  
if you mess with me  
your gonna get hurt girl,  
whats the f\*\*\* up with you  
you dont know what i've been through  
i'm so diffrent from you  
and your crew  
so i think it's time  
i tell you this  
i dont want it ta be  
a hit and miss  
so i'll tell you why i cant stand your shit  
its the mini skirts  
barley there shirts  
the guys you think wont make you hurt  
but do  
and those are 3 reasons  
that i cant stand you  
now you dont know

who i'm talkin about  
so i'll give you 3 hints  
to figure it out  
1 shes the wanna be queen  
2 she thinks her gang can get meee  
and last but not least theres 3  
shes the girl who thinks shes better than me  
and those are 3 reasons why  
i cant stand you and your kind  
and if you dont know yet  
i'll tell you something i havent yet said  
theres one of her in every high school  
the wanna be sl\*t  
who thinks shes so cool (i'm gonna mess her up)  
and thats the biggest reason why  
i cant stand you and your kind  
and those are my reasons why
