Golden sunlight streaming in
Blow away the cloud I'm in
Daisies on the grass
I've been seeing through smoky glass
Let the daylight in

Travelling through time and space
If you let me I'll be nice
Jumping up to take a bite
Out of shadow into light
Let the daylight in"

"Bouncing like a ball
I will catch me if I fall

Sunny blow the rain away
Quench my thirst another day
Caught up in my warm embrace
Lines and ties are all erased
Let the daylight in...
