It's rainin' down on a lovers night  
It's hard to find a friend  
But I'll take a chance on  
Takin' a chance again  
Oh I don't like to play this game  
And I wouldn't if it's right  
And I hope you feel like me tonight

Feel like me, whoa  
Feel like me  
I hope you feel like me tonight  
Feel like me, whoa  
Feel like me  
I hope you feel like me tonight

I'm not the one and only  
It' ain't just what it seems  
When it comes down to lonely  
You're a lot like me  
When it come down to lovin' you  
I know it would be right  
And I hope you feel like me tonight

Feel like me, whoa  
Feel like me  
I hope you feel like me tonight  
Feel like me, whoa  
Feel like me  
I hope you feel like me tonight

Feel like me, whoa  
Feel like me  
I hope you feel like me tonight  
Feel like me, whoa  
Feel like me  
I hope you feel like me tonight
