A mighty prayer went up
An answer came down from above
To save a lonely world God sent His only Son
He came as a baby, quiet as a lamb

With peace in His heart and us all in His hands
Saying, "I'm gonna show you now
What love is all about"
(And I sing)

Hallelujah, Hallelujah, He is born
Hallelujah, He is Christ the Lord
He's the King of kings, our redeemer and friend
Hallelujah, He is born, Amen

Hallelujah, Hallelujah, He is here
Hallelujah, we've got nothing to fear
To this dark old world, He brings a light without end
Hallelujah, He is born, Amen

He came in love and peace on that holy night
They came from near and far in that guiding light
Lying in a manger was a baby King
And from that night until this day we sing

Lord Jesus is His name
Heaven and earth proclaim
(And I sing)

Hallelujah, Hallelujah, He is born
Hallelujah, He is Christ the Lord
He's the King of kings, our redeemer and friend
Hallelujah, He is born, Amen

Hallelujah, Hallelujah, He is here
Hallelujah, we've got nothing to fear
To this dark old world, He brings a light without end
Hallelujah, He is born, Amen

Hallelujah, Hallelujah, He is born
Hallelujah, He is Christ the Lord
He's the King of kings, our redeemer and friend

Hallelujah, He is born, Amen

Hallelujah, Hallelujah, He is here
Hallelujah, we've got nothing to fear
To this dark old world, He brings a light without end
Hallelujah, He is born, Amen

Hallelujah, Amen
Hallelujah, Hallelujah
Hallelujah, Hallelujah, Amen
Hallelujah, Hallelujah
He is born, Amen
