Girl you make me dizzy  
The wiggle in your walk  
I can't understand the funny  
Way you talk

All I know is that I love you  
Pretty little miss  
I'm not even sure you  
Really care that I exist

I don't think I'm getting through to you  
Why am I acting like a kid in school hey hey  
Trying to be noticed feeling like a fool  
Sorry that I met you  
I'm in love with you hey hey

Well if I had a nickel  
For each and every time  
You stopped to think about me  
I'd only have a dime

Still you got me hopin'  
That some day you'll wake up  
And see that you were meant  
To be my little buttercup

I don't think I'm getting through to you  
Why am I acting like a kid in school hey hey  
Trying to be noticed feeling like a fool  
Sorry that I met you  
I'm in love with you hey hey

Why don't you come to daddy  
Why don't you be a good girl  
You know I love you madly  
I want you mine till the end of time

I don't think I'm getting through to you  
Why am I acting like a kid in school hey hey  
Trying to be noticed feeling like a fool  
Sorry that I met you I'm in love with.  
So sorry that I met you

I'm in love with you hey hey
