Take a look at my life, things are goin' well  
It's a good life I'm livin'  
When I met you, baby, I could tell  
There was somethin' missin', what was missin'??

Oh, I need a girlfriend to show me, to show me what  
love can do  
I need a girlfriend to hold me, one that I can hold on to  
I need a girlfriend who walks and talks like you know  
who  
Oh, I need a girlfriend who looks a lot like you

Now I can see, I can see real well  
I think they call it intuition  
How you got me talkin' to myself  
Got me in this condition, are you listening?

Oh, I need a girlfriend to show me, to show me what  
love can do  
I need a girlfriend to hold me, one that I can hold on to  
I need a girlfriend who walks and talks like you know  
who  
Oh, I need a girlfriend who looks a lot like you

I see 'em walking around all over this town, I guess I  
didn't have a clue  
Oh, Jimmy's got one, Ronnie's got one  
Look at Ricky, he's got two, he's got two, look  
All I really want, all I really want, all I really want is you

Oh, oh, oh, I need a girlfriend to hold me  
I need a girlfriend who walks and talks a lot like you  
know who  
Oh, I need a girlfriend who looks a lot like you  
Oh, oh, oh, I need a girlfriend, ha, ha, I need a  
girlfriend, I need a girlfriend
