Saw your picture in the Sunday paper,
Bet your mamma sure is proud
She finally found you a real straight lacer
All your dreams are really getting buttoned down

But girl you know that I know you too well
Before you cut the cake before you ring that bell

Iâll be around around about the time youâre wishing
For a Friday evening with the rag top down
Iâll be around around like a second hand ticking
In the nick of time I can make you mine
If you long to feel the wind in your hair
And the choices seem a little too square
Iâll be around, around, around
Iâll be around, around, around

Girl you never did like vanilla
You were more of the rocky road kind
Hates princes and Cinderellaâs
Gravitated to Bonnies and Clydes

Girl you know Iâm happy if this is it
But if you ever find that the shoes donât fit

Iâll be around around about the time youâre wishing
For a Friday evening with the rag top down
Iâll be around around like a second hand ticking
In the nick of time I can make you mine
If you long to feel the wind in your hair
And the choices seem a little too square
Iâll be around, around, around
Iâll be around, around, around

But girl you know that I know you too well
Before you cut the cake before you ring that bell

Iâll be around around about the time youâre wishing
For a Friday evening with the rag top down
Iâll be around around like a second hand ticking
In the nick of time I can make you mine
If you long to feel the wind in your hair

And the choices seem a little too square
Iâll be around, around, around
Iâll be around, around, around

Iâll be around
