Well I spent a lifetime lookin' for you
Singles bars and good time lovers are never true
Playin' a fools game and hopin' to win
And tellin' those sweet lies and losin' again

Chorus

I was lookin' for love in all the wrong places
Lookin' for love in too many faces
Searchin' their eyes
And lookin' for traces
Of what I'm dreamin' of
Hopin' to find a friend and a lover
God bless the day I discover
Another heart
Lookin' for love

I was alone with no love in sight
And I did everything I could to get me through the night
Don't know where it started or where it might end
I turned to a stranger just like a friend

Repeat Chorus

I was lookin' for love in all the wrong places
Lookin' for love in too many faces
Searchin' their eyes
And lookin' for traces
Of what I'm dreamin' of
Hopin' to find a friend and a lover
God bless the day I discover
Another heart
Lookin' for love

You came a knockin' at my heart's door
You're everything I've been lookin' for
No more lookin' for love in all the wrong places
Lookin' for love in too many faces
Searchin' their eyes
And lookin' for traces
Of what I'm dreamin' of
Now that I found a friend and a lover

God bless the day I discover
You oh you
Lookin' for love
