Woke up this morning and the sun refused to shine  
Looked everywhere tryin' to find that gal of mine  
I just found an ice cold pillow  
Layin' by me side

Well, the moon is down  
But it still ain't dawn  
And the world is dark  
And my baby's gone

Looked out the window and I could not help but cry  
She left me all alone and never said goodbye  
She even took the golden sunlight  
From my sky

Well, the moon is down  
But it still ain't dawn  
And the world is dark  
And my baby's gone

I sit here and wonder why she left me  
Just try to think what I done wrong  
I stay in the darkness  
Of this lonely room

Well, the moon is down  
But it still ain't dawn  
And the world is dark  
And my baby's gone

Woke up this morning and the sun refused to shine  
Looked everywhere tryin' to find that gal of mine  
I just found an ice cold pillow  
Layin' by me side

Well, the moon is down  
But it still ain't dawn  
And the world is dark  
And my baby's gone

Well, the moon is down  
But it still ain't dawn

And the world is dark  
And my baby's gone

Well, the moon is down  
But it still ain't dawn  
And the world is dark  
And my baby's gone

Well, there ain't no moonlight  
There ain't no starlight  
There ain't no sunlight  
My baby's gone

Well, there ain't no moonlight  
There ain't no starlight  
There ain't no sunlight  
My baby's gone

Well, there ain't no moonlight  
There ain't no starlight  
There ain't no sunlight  
My baby's gone
