E.Greene/E.Montgomery

Well I pulled out of Pittsburgh rolling down the eastern
seaboard

I've got me diesel wound up and she's running like a
never before

There's a speed zone ahead but all right, I don't see a
cop in sight

Six days on the road and I'm gonna make it home
tonight

I got ten forward gears and a Georgia overdrive
I'm passing little white lines and my eyes are open wide
Just passed a Jimmy and a White, I've been passing
everything in sight

Six days on the road and I'm gonna make it home
tonight

Well it seems like a month since I kissed my baby
goodbye

I could have a lot of woman but I'm not like some of the
guys

I could find one to hold me me tight,
But I could not make believe it's right

Six days on the road and I'm gonna make it home
tonight

Well the ICC is checking on down the line

I'm a little overweight and my log books are way behind
But nothing bothers me tonight, I can dodge all the
scales all right

Six days on the road and I'm gonna make it home
tonight

My rigs a little old but that don't mean she's slow

There's a flame from her stack and the smoke's rolling
black as coal

My home town's coming in sight, if you think I'm happy
your right

Six days on the road and I'm gonna make it home
tonight

Six days on the road and I'm gonna make it home

tonight

Six Days On The Road and
I'm gonna make it home tonight
