Well, I've been called a self-made man
And girl don't you believe it's true
I know exactly how lucky I am
When I'm gettin' this close to you

It's high time I'm giving some praise
To those that got me where I am today

I got to thank mama for the cookin'
Daddy for the whuppin'
The Devil for the trouble that I get into

I go to give credit where credit is due
I thank the bank for the money
Thank God for you

A strong heart and a willing hand
That's the secret to my success
A good women, I try to be a good man
A good job, Lord, I know I've been blessed

I'm just a part of a greater plan
It doesn't matter which part I am

I got to thank mama for the cookin'
Daddy for the whuppin'
The Devil for the trouble that I get into

I go to give credit where credit is due
I thank the bank for the money
Thank God for you

I got to thank mama for the teachin'
Daddy for the preachin'
The Devil for the trouble that I get into

I got to give credit where credit is due
I thank the bank for the money
Thank God for you

Mama
Daddy

Devil

Yeah, I got to give credit where credit is due
I thank the bank for the money
Thank God for you

I thank mama
I thank daddy
Devil

Well, I got to give credit where credit is due
I thank the bank for the money
Thank God for you
