Movin' like a fast train callin' it the wild thang  
Hopin' that you don't say well, I've been denied  
Lordy I've been denied your fever is high  
Your tossin' about but it ain't love till twist comes to  
shout

When twist comes to shout  
Katie bar the back door you ain't gonna let her out  
When the walls come a tumblin' down, I said down  
You've got heart, you got soul, you got love  
When twist comes to shout

Dancin' with a new shoe you think you got the swine flu  
A hopin' that it ain't true well I'll testify  
Lordy I'll testify gotta make you see  
What you've been doin' without  
Cause it ain't love 'til twist comes to shout

When twist comes to shout  
Katie bar the back door you ain't gonna let her out  
When the walls come a tumblin' down, I said down  
You've got heart, you got soul, you got love  
When twist comes to shout

I'm gonna make you see what you've been doin'  
without  
'Cause it ain't love 'til twist comes to shout

When twist comes to shout  
Katie bar the back door you ain't gonna let her out  
When the walls come a tumblin' down, I said down  
You've got heart, you got soul, you got love  
When twist comes to shout

You've got heart, you got soul, you got love  
When twist comes to shout
