Now they got girls in Georgia  
They got girls in Maine  
They got girls in the wild wild west  
That drive most men insane

And when you hear you take the noise  
And you feel the powder boys  
Love is on the run  
And when you finally find a lover  
And she comes an undercover  
You know she's the one

Chorus

When your heart goes woo woo woo woo woo woo  
When your heart goes woo woo woo

It'll strike like thunder and lightning  
It'll beat you like a drum  
But the fell at first is a far far cry  
From the feelin when it's done

And when you go to bed a flutter  
And your step is now a stutter  
Ears are over mine  
And you decidin whether  
That you never say never  
Love will give a sign

Chorus

When your heart goes woo woo woo woo woo woo  
When your heart goes woo woo woo

Chorus

When your heart goes woo woo woo woo woo woo  
When your heart goes woo woo woo
