Sitting in the sun  
waiting for life - begin  
Looking for a sign  
where it starts and where it ends

And the trees sway to and fro  
like the friends we've come to know  
stand tall, grow as one  
Come together one by one  
above the wind thy will be done  
stand tall grow as one  
Sitting in the sun

Sitting in the sun  
Baring to the fates my back  
We shall all but pass  
though pale rewards wane and wax

Veiled in obscurity  
Is the answer hard to see  
Stand tall, grow as one  
Come together one by one  
above the wind thy will be done  
Stand tall, grow as one  
Sitting in the sun

Stand tall and grow together  
Everyone
