Our whispers turn to noise,  
The noise turns to screaming,  
Our screams turn to tears

Can't you see, this moments don't matter to me?!  
I'd give up all I have to be with you. So free.  
I'm feeling so alive, feeling so alive

Can't you hear this? It's my heartbeat.  
Crying away this apocalypse, from twist in our story

Our whispers turn to noise,  
The noise turns to screaming,  
Our screams turn to tears

I can't take my eyes off of you  
I can't take my eyes off of you  
Until the day I die, you mean too much to me to let you  
go.

Can't you see, this moments don't matter to me?!

I'd give up all I have to be with you. So free.  
I'm feeling so alive, feeling so alive

Our whispers turn to noise,  
The noise turns to screaming,  
Our screams turn to tears

I lived, I loved, I burned, but I'm not dead  
I lived, I loved, I burned, but I'm not dead already

Can't you see, this moments don't matter to me?!  
I'd give up all I have to be with you. So free.  
I'm feeling so alive, feeling so alive

Can't you hear this? It's my heartbeat.  
Crying away this apocalypse, from twist in our story

Why do you do this to me? How do you do this so  
easily?

Why do you do this to me? How do you do this so  
easily?  
Can't you see, this pain don't matters to me.  
Can't you see, this pain don't matters to me.
