when people somehow force you
in a way you can't predict
but the massive cock-roach camera
plays your lick
only rebuild

it's either this or either that
please do get out of my way
there's a lot of space to put a hole in someone's day
would you walk out on a stiff, walk out on a stiff?

relieve someone else

no matter what the cause is, I'll bring it right back
'cause my lucky charm is defect
now reborn, reborn

there's a time and a place for everything

Chorus:
no matter what the cause is
I will bring my lucky charm
obligated, obligated
