(Piano intro)

La, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la

When you're sad
When your feelin' low
When you're hurt, and don't know where... to go
Think of me
There I'll be
Anytime you need a friend

When you're down
And your luck runs out
Or if you're... in trouble or in doubt
It's okay
To Turn my way
Anytime you need a friend

(Chorus)
When you're scared, I will stay with you
When you feel you've fallen, I'll lift you
When your heart breaks, I'll ease your aches
Whatever it takes, I'm in
Anytime you need a friend

La, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la

All our lives
Anywhere we are (Anywhere we are)
Just reach out, I'll never be too far
Come what may
There I'll stay
Anytime you need a friend

(Chorus)
When you're scared, I will stay with you
When you feel you've fallen, I'll lift you
When your heart breaks, I'll ease your aches
Whatever it takes, I'm in (Whatever it takes)

Anytime you need a friend

Oh, oh, oh

When you need a friend

Come what may

There I'll stay

Now until the very end

Anytime, anytime you need a friend

La, la, la, la, la ,la, la

Anytime

La, la, la, la, la, la, la

Whatever it takes

La, la, la, la, la, la, la

Anytime

I'll be there

La, la, la, la, la, la, la

Anytime you need a friend
