Emma loves Emily in her little own way,
So alone in this world from the very first day.
With her hand on her belly she rocks and she prays
As she hums a melody to her babe everyday.

Emily, Emma-lye, Emily-lo-lay
Emily in Emma lies though the little lady lays.
Emily, Emma-lye, Emily-lo-lay
Emma loves Emily,
Little lady's on her way.

Momma sings to her womb as the months fade away,
"Babe I'll see you soon, just can't wait for the day,
When I see a little face in my arms as you lay,"
Humming melodies to my babe everyday.

Emily, Emma-lye, Emily-lo-lay
Emily in Emma lies though the little lady lays.
Emily, Emma-lye, Emily-lo-lay
Emma loves Emily,
Little lady's on her way.

She moves inside like butterflies,
Momma feels her tiny feet and she can't deny
A rush of tears and fears welled up inside
'Til the day she first hears that baby sigh,
High, High, High, High.

Emily, Emma-lye, Emily-lo-lay
Emily in Emma lies though the little lady lays.
Emily, Emma-lye, Emily-lo-lay
Emma loves Emily,
Little lady's on her way.

Now her babe's in her arms and she hopes she'll
always be
Momma thinks to herself, "Boy, she really looks like
me.
Wish she'd stay this small if there's any sort of way."
But her little Emily grows strong everyday,
And it won't be long til she up and moves away,

So she'll hold this moment and hold every passing day,
With a song in her heart for her baby girl,
Everyday.

Emily, Emma-lye, Emily-lo-lay
Emily, Emma-lye, Emily-lo-lay
Emily, Emma-lye, Emily-lo-lay
Emma loves Emily,
Little lady's on her way.
Emma loves Emily,
Little lady's on her way.
