I just wanna be with You
Grow in love and feel secure
Worship You in spirit and in truth
I just wanna be with You
I just wanna be with You

Revived, Alive
Under the shadow of Your wings
Reborn, transformed
Under the shadow of Your Wings

I just wanna be with You
Grow in love and feel secure
Worship You in spirit and in truth
I just wanna be with You
I just wanna be with You

Restored, assured
Under the shadow of Your Wings
Released, in peace
Under the shadow of Your Wings

*I just wanna be with You
Grow in love and feel secure
Worship You in spirit and in truth
I just wanna be with You
I just wanna be with You* (Repeat from* to*)

I just wanna be with You
