*Don't wanna gain the whole wide world
And lose my soul
Don't plan to waste my life looking
For a pot of gold
A worthwhile sacrifice
Is to own the pearl of great price
Time to repent and change my ideas
'coz I've found the Kingdom of Heaven
It's Here

Yes, it's here, Yes it's here
Yes, the Kingdom of my Father
Is right here
The greatest treasure known to Man
Is in the palm of my hand
Oh yes, the Kingdom of Heaven is here* (Rep from*to*)

Oh yes, the Kingdom of Heaven is here
Oh yes, the Kingdom of Heaven is Here
Oh yes, the Kingdom of Heaven is Here
